Sheri,

Oh always so hard for me to think of something cute, memorable, and witty but for some reason writing in your year book is no problem. I'll just tell what I feel.

I wasn't so sure of how good of friends we would be, but I'm sure now. You're one of the best friends and especially a very special girl to me. I'm a very crazy, nutty and I'll always remember you as that person; and you're the same, and you're exactly what I could have; besides a guy! kind of guy. You always seem to be there to talk to; but I can always depend on you for some reason or other. I don't expect a straight answer or do I either. Although I should but I don't. I love you for that.

Last Statement. When we go our way and I go mine I'll tell you. Well I said what I felt for one minor detail

Sheri,
I always remember the good times in short hand class. Don't forget your going to study hall. Good luck with the boys!

Love Cheryl '76

Sheri,
to a cool kid, who always gets in trouble in first hour. Remember you never read a story in that book!
Good luck

Introducing a new series called
"Bert and Bri" Their roles will
change, Bert is a college Freshman
and Bri is a High School jock.

Bert-Hey Bri, Over Here!!
Bri-Huh, Oh Hiya Bert. What ya
been doing lately. Haven't seen ya
around.
Bert-Oh, well I've been at college.
I came home this weekend for Homecoming.
Though I'd look up the old gang.
Bri-Well, they uh, they kinda, umm....
Bert-Just what are you trying to say, Bri.
Bri-Well, they uh, aren't exactly as
close as they used to be.
Bert-Just what are you trying to say?
Bri-Well, there are those who think
that they are just to tough to
associate with the rest of us.
They can't lower themselves to
include us in their activities.
Bert-Are all of them like that?
Bri-Heck No. Some of them are worse,
like the Hypocrites
Bert-Hypocrites? What do you mean?
Bri-You know, the group that says,
"I'm not going to talk to you
because you think that you're too
cool to talk to me. But you are
really not any better then me."
Bert-Well thats not so bad, only
two cliques.
Bri-Oh, those are only the two Major Cliques!
Bert-What others are there?
Bri-There are all sorts of subcliques
like the fraks, the straights and the
greasers. And then there are the Kids
that don't belong to any group, some by
choice, and others because they were
forced out of some group.
Bert-Well Bri, it looks as if things
have changed. I wonder what clique I'd
be put into?

# *flower day*

Spirit week got off to a good start this month. Monday morning the boys were decorated with paper flowers, artificial flowers, leaves, and even some with the real things. A few of them had concealed extras in case they lost one, they could replace it with another. But the plan was foiled because they were handing them out as fast as they were putting them on. Crime just doesn't pay. As I was wandering through the halls blindly looking for my next cell (or do they call it a class?), I noticed girls looking like the inventors of the flower child, after their defeat with the boys. By 2:14 very few guys were shining with glory. Women's Lib, Stand up and Cheer!!!! for it has now been proven that we women are not only sexyer, but smarter too. Sorry boys better luck next time.

# *running*

By B. B. B.

I feel fat, lazy, and unexercised,
but I'm running all the time. I feel
guilty for slowing down, for having
fun, for relaxing.
I don't have time for myself any-
more-I feel guilty.
When I do. Mind, please give body
a chance to catch up.
It needs, to walk some,
It gets tired of running.

Captain aboard airliner:

Ladies and gentlemen, I have some bad news and some good news, Our navigational equipment has failed and we have no Idea where we are, but we are ahead of schedule.

Ladies and gentlemen, this is your captain speaking, we have lost power on all four jets engines but we are not in danger. To lighten the load some of the crew members have jumped out, this is a recording, recording,.....

Lawyer to client:

Your wife is getting married again, and you no longer have to pay alimony... She's marrying your boss and you're fired.

Coach to parents:

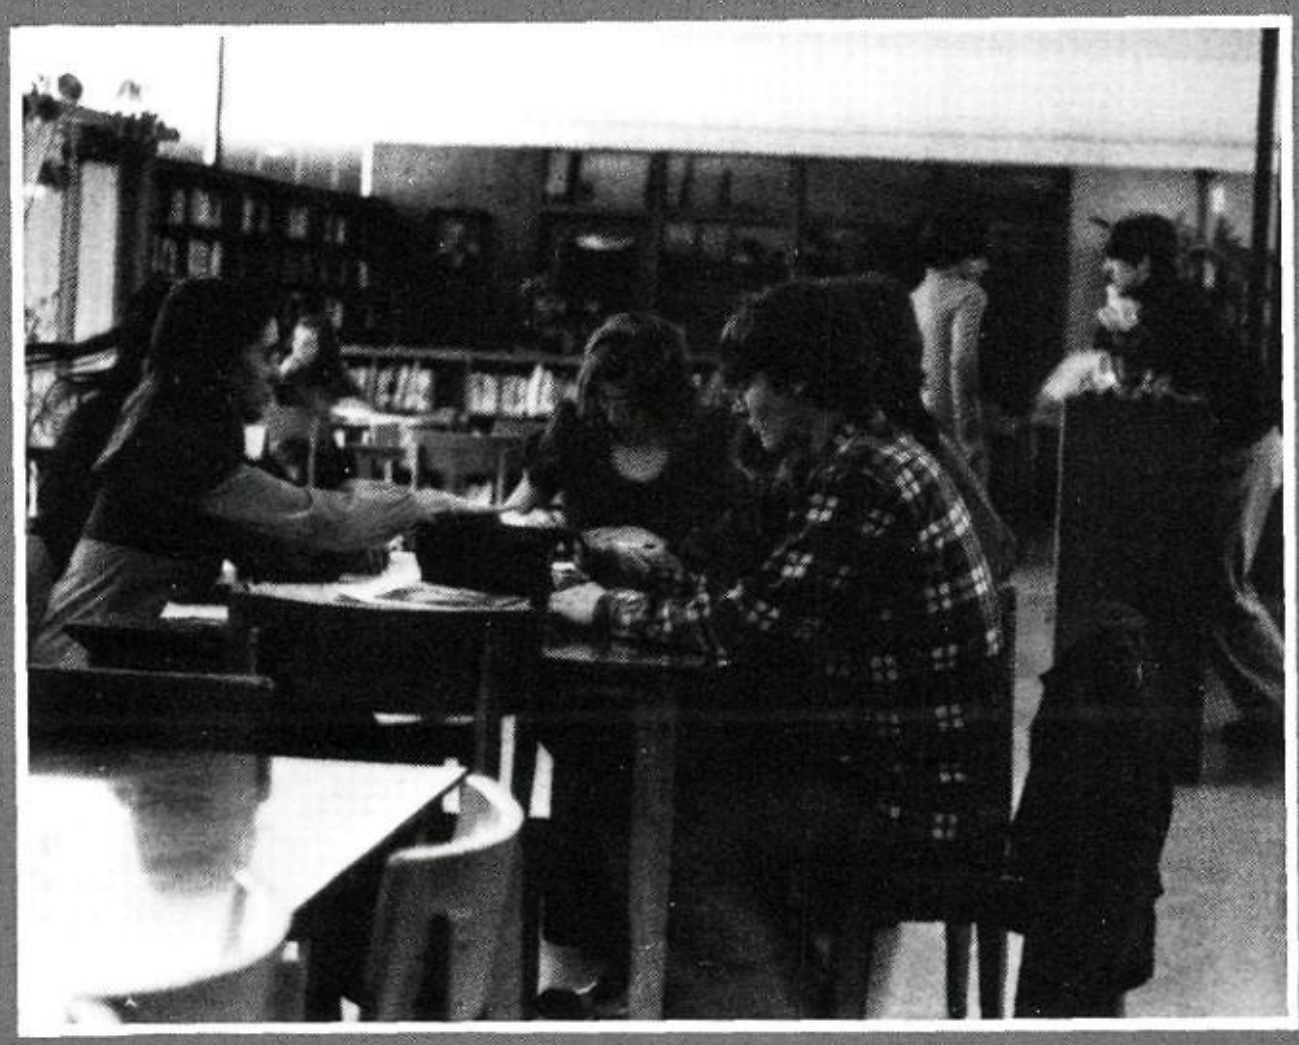
Your son just broke the Olympic diving record for the triple somersault from the high board...One small detail, there was no water in the pool.

Thomas Alva Edison to Mrs. Edison:

I've just invented the light bulb, but I can't get it to ring.

Letter from Safari Leader:

Bad News, Sam your wife has been taken by cannibals, even worse they gave her back.



Is it true blondes have more fun.

Just love

Dear Friend,

Don't ever fall in love my friend
you see it doesn't pay.
Although it causes broken hearts,
it happens everyday.
You wonder where he is at night,
you wonder if he's true
One minute you are happy
the next you are feeling blue.
Every time you see him,
your heart begins to dance.
Your world revolves around him,
There's nothing like romance.
Then it starts you don't know why,
But you worry day and night.
You see my friend, you're losing Him
It never turns out right.
Love is nice, but it hurts so much,
and the price you pay is high.
So when I say "Don't fall in Love"
You'll be hurt before you're through.
You see my friend I ought to know
I fell in love with you.

Your Long
Lost love

# *dreams vs. reality*

I don't know what you're really like;
Because dreams just guess.
They block out unpleasant thoughts
and close my eyes to fears.
Why do you make me dream?

Dreams are only wishes of the future
expanding my mind.
Only with the aid of both faith
and realism, can dreams come true
Why do you make me dream?

# *jest for laughs*

A city is where they cut down the trees and name streets after them.

I know a plumber who was really down in the dumps. and when he jumped off the cliff his whole life flushed before his eyes.

There's this woman who claims her husband is careless about his appearance. He hasn't shown up in five years.

Mr. Shannon-The original Mr. Thunderbolt.

I was fixing our thanksgiving turkey according to the Galloping Gourmet, and during a commercial I left the room, and while I was gone my mom switched it over to the soap opera General Hospital. I came back in, didn't know she'd switched channels, and I gave the turkey a Hysterectomy.

You may speak of love and tenderness and passion but real ecstasy is discovering you haven't lost your car keys after all.

## *tapestry*

Our Life has been a tapestry of rich and royal hue

An everlasting vision of the ever changing view

A wondrous woven magic in bits of blue and gold

A tapestry to feel and see impossible to hold

Once Amid the soft, silver gladness in the sky

We came together as a mass, to explore time passing by

Although we dressed in likeness now, unique patterns are inside

And views of many differences, more in with changing tides

We moved with some uncertainly as if we didn't know

Just what we were here for or where we ought to go

We reach for something golden hanging in a tree

Will or hand some down empty?

Soon Within our tapestry, along the rulled path

It seems were independant as a thread maybe

But when woven in our tapestry, one picture will you see

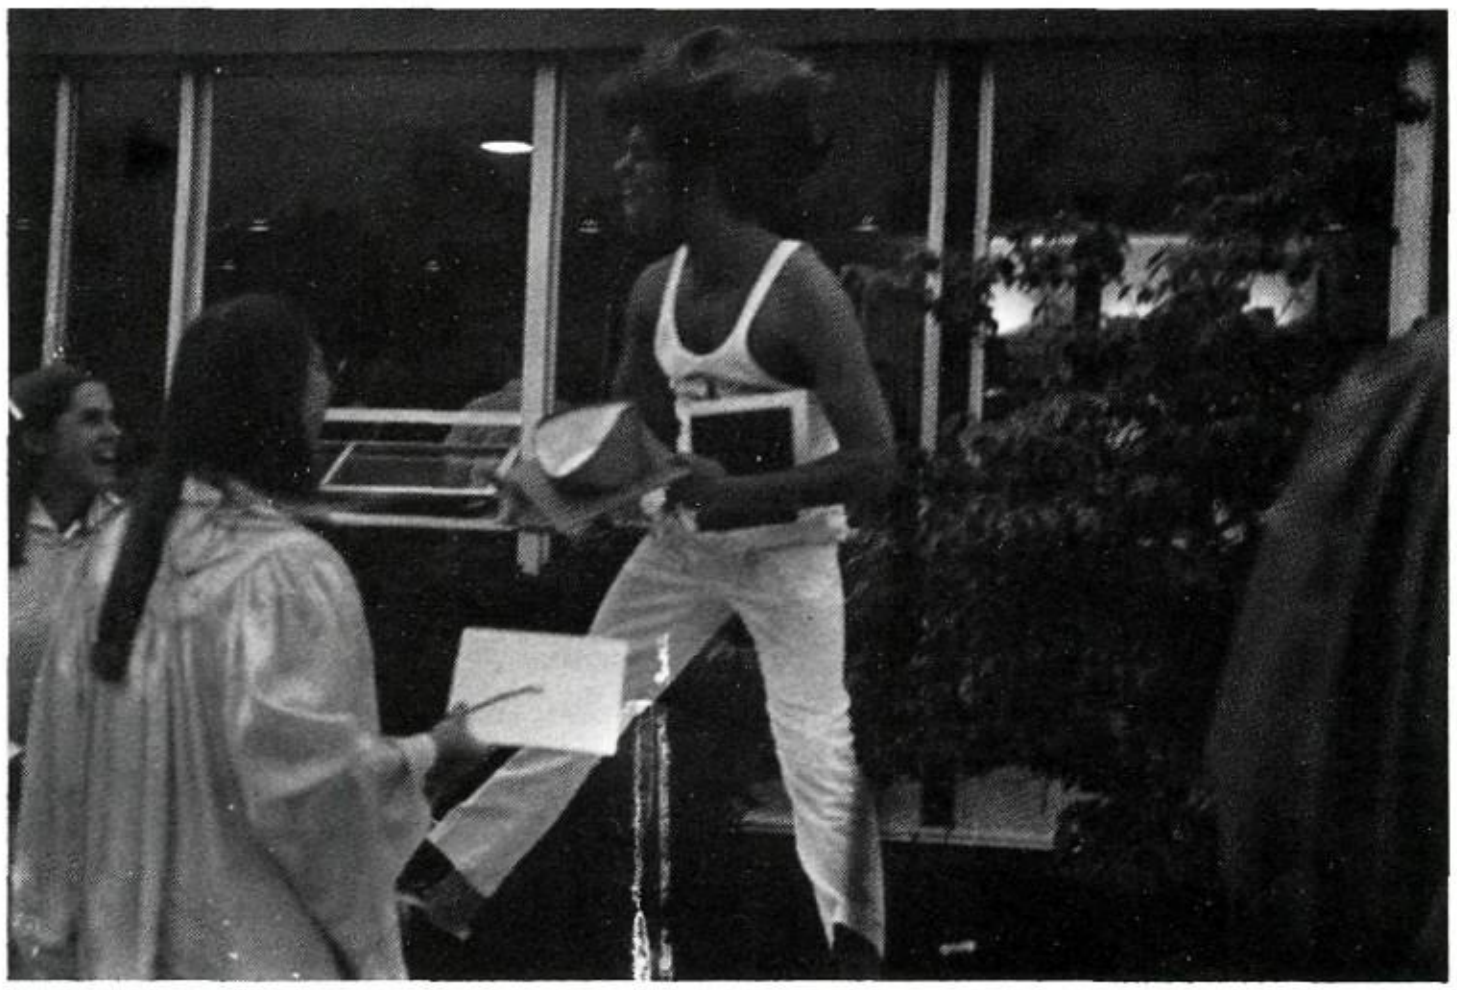
as we watch in wonder, what expectation will come clear

Our tapestry's are changing new threads will soon appear

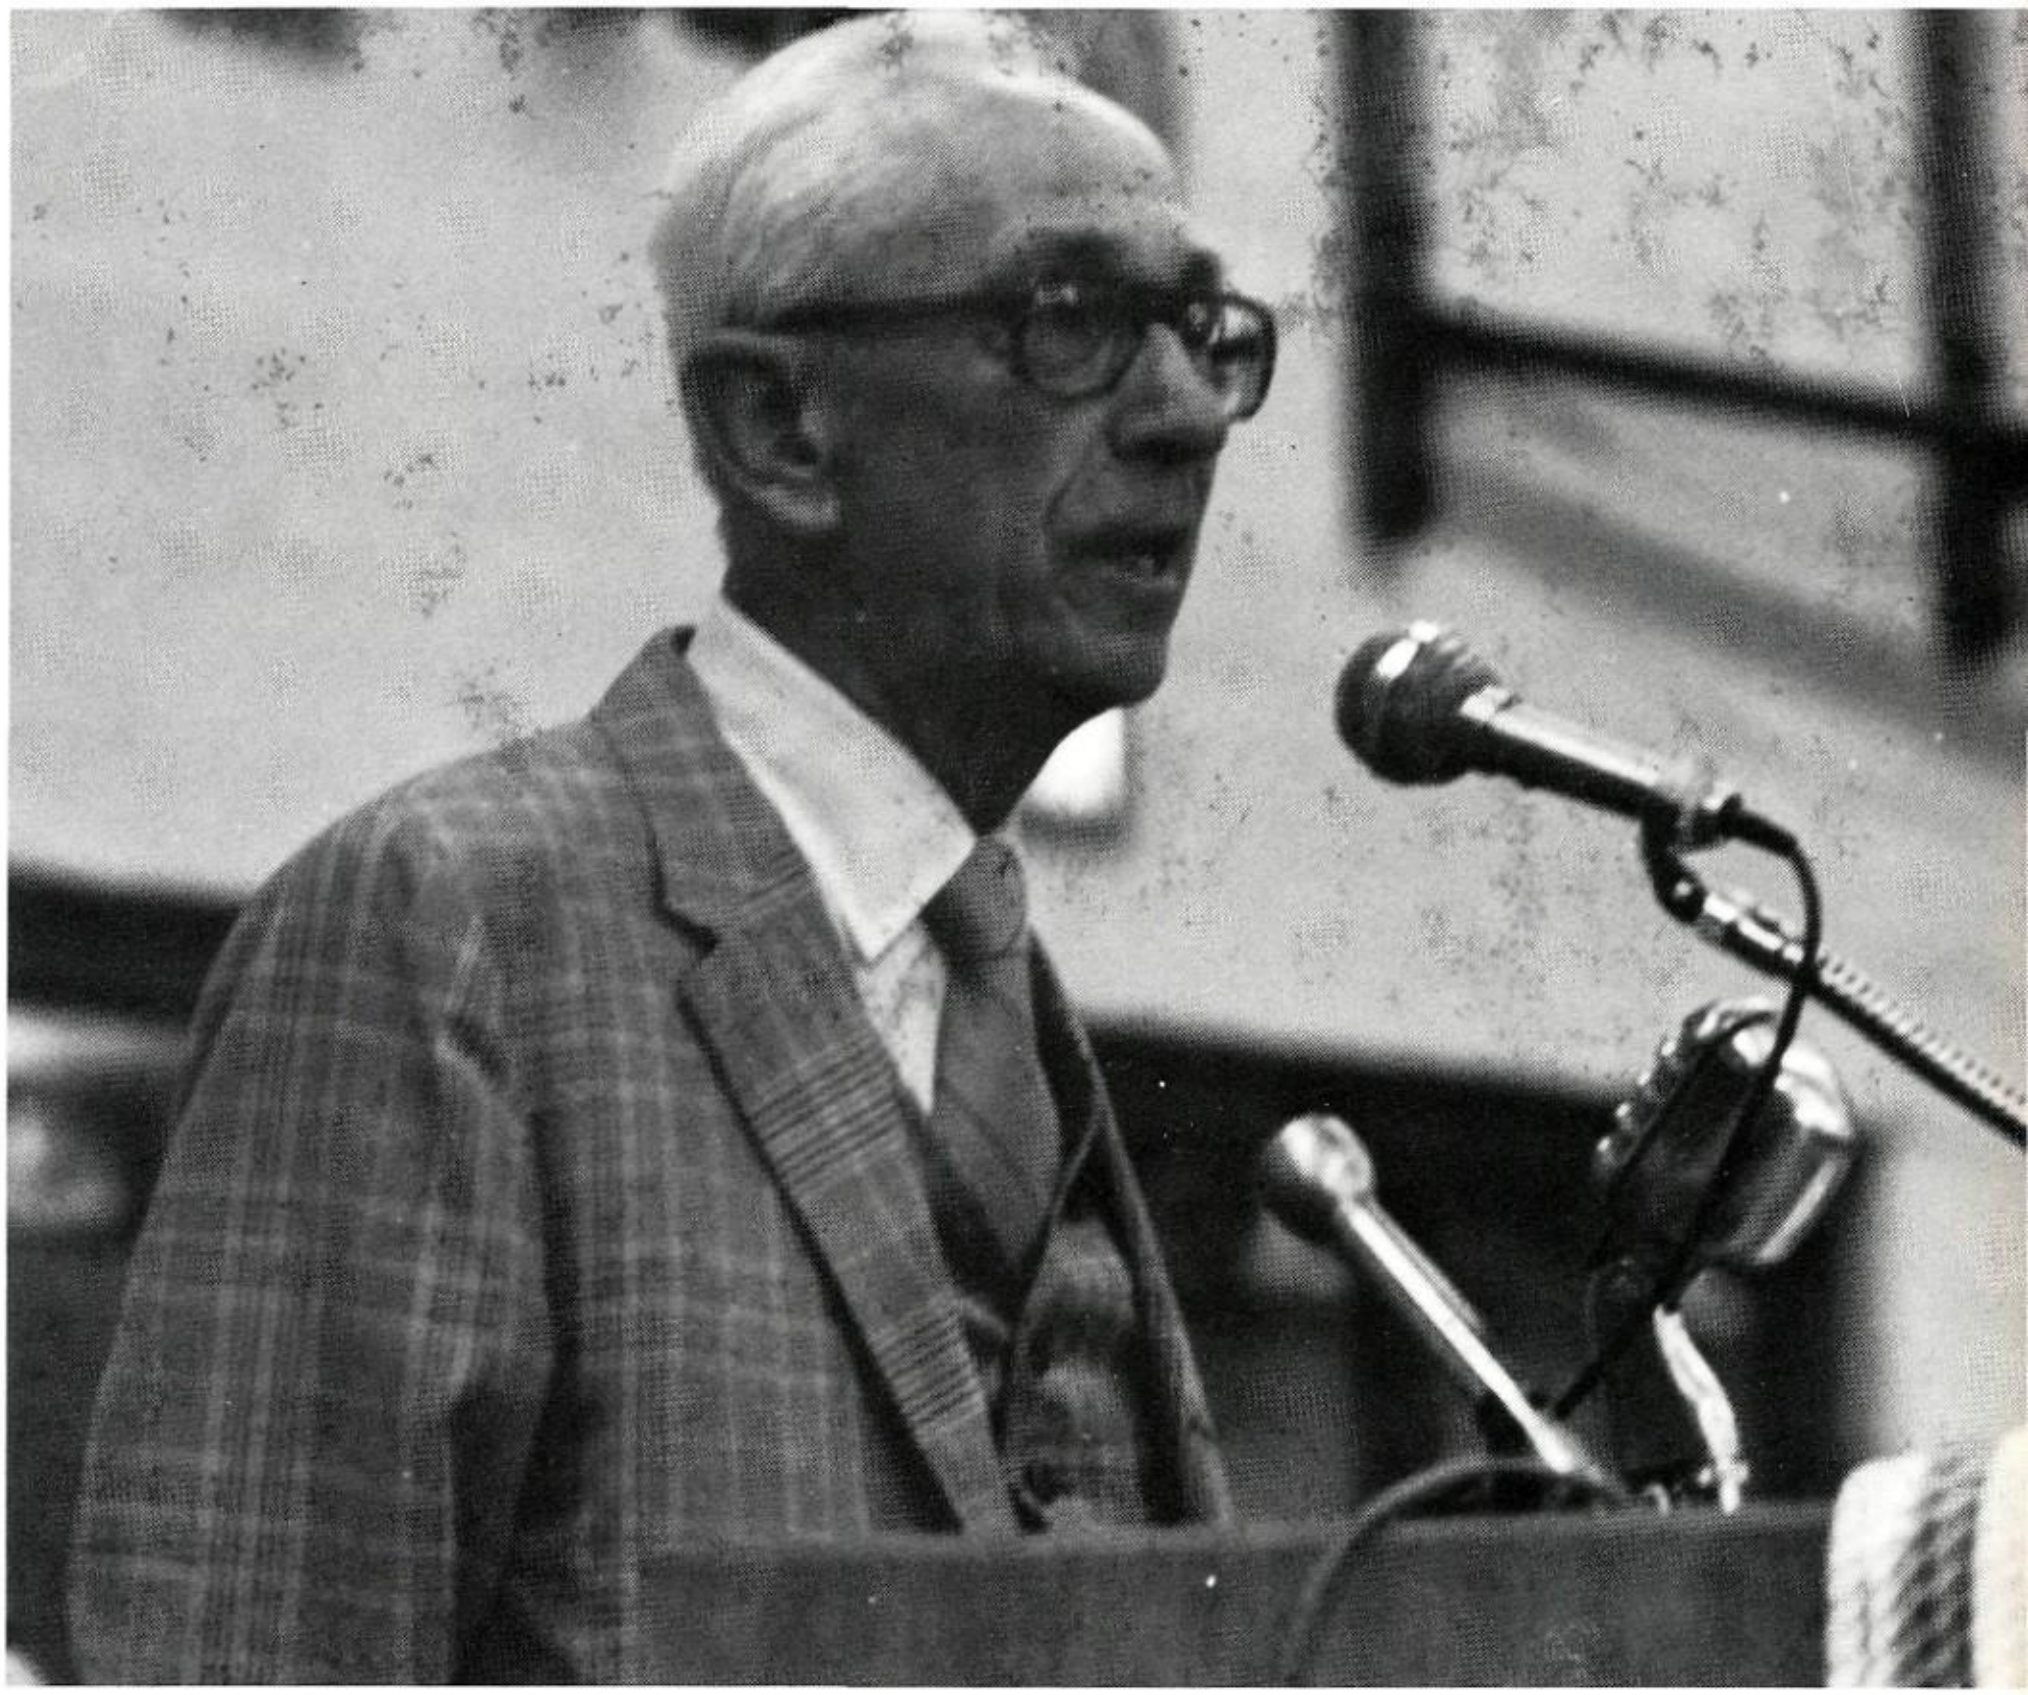
The old one we will cherish with pictures in our minds

Our Tapestry's unraveling, a new one will we find

a new one will we find...



*we wish you well*



This Yearbook Is dedicated to one of Hillsdale High School's Excellent Teachers, Mr. Ralph Ketrow. Mr. Ketrow was a very good teacher and everybody hates to see him go. Good Luck Mr. Ketrow

Sheri,
To a real neat
& fun Kid. Remember
all the good & bad times
we had. We have had a lot
of disagreements in our friendship
& there will probably be a lot more,
too. Oh well, somehow, as usual, we'll
work them out. Like most people, I always
a hard time thinking of something to write
ght put (& say) so. But since those are
I really don't know what to write & by now
Thaw much fun we have had & you
that you've got lots. Stock thought about
the phone cranking (lady) Lemmons that
Playtex Bras & girdles? I don't forget
problems (with: D.C., K.B., B.B., D.W.,
body) else. Will you be a great
allow ya always.
